

## **Academy Manager (Internal applications only)**

Are you a budding leader who is looking to make a real difference?

At Goodwill Solutions CIC Academy, you are part of a committed team that shares a passion for our local community, and we truly believe in doing business differently. The Academy is on a journey to become known for transforming lives through education, employment, and building confidence by equipping all with skills to enable change.

We are recruiting a full-time Academy Manager to join our Academy education team at our site in Northampton.

The Academy Manager is responsible for managing a series of different funded and commercial work streams, with a team of circa 9 personnel. This role is to deliver a cost effective, candidate and client centric environment that delivers on delivering significant social value.

At Goodwill Solutions CIC Academy, we are always asking how we can do better in our growing business, so our leadership teams need to work at pace and quality, with a flair for fun and innovation.

You'll be responsible for all aspects of leadership, policy and operations relating to the Academy.

### **We look for people who are**

- Are passionate about leading people
- Want to make a real difference
- Can think innovatively
- Bring tonnes of drive to deliver great results
- Understand education and the social value landscape
- Have a clear understanding of the funding environment and bid identification and submission
- Experience of funded projects

### **What you'll be doing**

You'll take responsibility of a team, providing them with a clear plan to achieve objectives across customer, compliance, cost and people. This includes but is not limited to;

- Review and deliver educational initiatives
- Manage funded projects
- Deliver on operational compliance and policy
- Manage cost control
- Implement HR, H&S Policies and Educational processes
- Manage and maintain personal and professional development of yourself and your team

## **What you'll need**

To apply for this role, you'll need:

- Prior Team leadership experience
- Practice of managing funded projects e.g. BBO/ESIF/Innovate UK
- Project management capability
- Business development familiarity
- Proficiency in bid identification and construction

A place in the Goodwill Solutions CIC Academy is not just a job but a career.

Apply now and be part of the Goodwill Solutions CIC Academy Leadership Team.
